A PEDIGREE LADEN WITH 2 YEAR OLD SPEED

Pastor Stephen brings together a pedigree rich in trotting excellence. He is a son of **Cantab Hall**, the U.S. 2YO Trotting Colt of the Year, and a dominant force both on the track and at stud. His dam is a half-sister to **Chocolatier**, who also earned the title of 2YO Trotting Colt of the Year, making **Pastor Stephen** a product of two generations of elite juvenile performers. With this powerful genetic foundation, **Pastor Stephen offers breeders a rare opportunity to tap into a lineage defined by early speed, class, and championship success.**
